

Vertical Slats/Louvers Weights & Chain

NB When ordering these please state the hem to hem size.

If you require top hangers to hang the louver or slat up with we will need a sample to ensure that your slats will fit correctly.

Chains weights can also be added

Weights & Chains

Weights and chains can be fitted into the bottom of the Louvers/ Slats that you may need.

The Minimum drop is 200mm

The Maximum drop is 5metres.
